Communication & Journalism Abroad

A truly comprehensive communication education hinges on exposure to different individuals, ideas, and environments. That’s why so many students turn to CEA’s study abroad programs for a dedicated experience in this field of study, in an environment that is anything but ordinary. Whether you are journalism, media studies, PR, or advertising major, CEA has a program for you. To expand your global competency and cross-cultural skills, many locations feature an intercultural communication-focused course that will set you up for success in today’s globalized world.
