Why Pursue an International Experience?

Experiencing new places and cultures is an enriching opportunity that you will never forget. American business firms are seeking university graduates who have obtained global literacy, in addition to the skills traditionally associated with higher education. Companies value employees with global experience and knowledge of other cultures.

Faculty-Led • Reciprocal Exchange • Field Trip • Internship • Volunteer • Research

Academic & Cultural Experiences

When you participate in a Mays Business School program, you gain both academic and cultural experiences that will change your perception of the United States, the world and the way business is conducted globally.

Scholarships

Worried about funding? The Center for International Business Studies and Education Abroad offer a variety of scholarships to qualifying students. We are dedicated to developing future international business leaders and making students’ overseas experiences a possibility.
